If you cannot make the trials (Junior) but wish to be considered to represent your County please contact the Team Manager/s as above.

You are only eligible to play for Bucks if you were born in Bucks, live in Bucks or attend a School in Bucks. Please ensure you qualify as you could be challenged on this by another county.

If you have any queries, please do not hesitate to contact me on the above numbers.

Attendance at the trials does not automatically mean you will play for the county. The object of the trials/assessment is to see the strength and depth of players across the whole of Buckinghamshire. If you have been chosen you also need to be BE registered to play in matches.

NOTE: please wear NON MARKING shoes and bring plenty of fluids.
